

Hardest Thing A Person Can Do...

👁 17 ✓ 0 ★ 2

Chapter 1 by Brandon Olivas

The hardest thing in this world a person could do, is make to something of their life with very little desire to live.

With each new day, the yearning for an exit from this Earthly realm becomes more and more cumbersome. The fucked part about it, is there isn't any reason behind the feeling. Absolute irrational and unreasonable anxiety, depression, and loneliness with an overwhelming curiosity toward Death.

Very few strings attach this body to the mortal world. The Soul, broken into pieces and gifted to 5 Angels to preserve the Essence of Life.

God Forbid all pieces be returned, as it could mean the destruction of the failing vessel that can no longer suppress its immense power.
